

# FAQ

**Q: Can I create a custom package?**

A: Yes! Send us an email describing what you would like in your package and we will respond within 24 hours with a quote

**Q: Are your prices negotiable?**

A: Prices are not negotiable. However, feel free to send an email telling us why we should give you the royal treatment. You just might get it!

**Q: I am a photographer too! Are you hiring?**

A: We are currently not hiring. Send us an email and we will let you know when we are looking for new photographers.

**Q: How much experience do you have?**

A: 7 years, but we are always learning. With photography, the learning process begins with the first snap and ends when...well...it doesn't.

**Q: What happens if it rains before or during the photo session?**

A: Yes, we are amazing photographers. However we cannot control the weather and we understand things happen. So don't worry. We'll be glad to change locations or reschedule and if that doesn't work for you, a full refund will be issued.
